## PROFILE

Skilled web developer with knowledge of HTML, CSS, JavaScript, React.js, Bootstrap, and GitLab. Familiar with building dynamic and responsive user interfaces to ensure seamless experiences across devices. Knowledgeable in integrating front-end technologies to create efficient, maintainable, and scalable web solutions. Eager to learn new technologies, stay updated with industry trends, and enhance software quality. A proactive team player with a problem-solving mindset, committed to tackling challenges and delivering effective solutions.

## SKILLS

- Technical Skills & Languages:**
- Core Web Technologies:**  
HTML5, CSS3, JavaScript
- Front-end Frameworks/Libraries:**  
React, Angular, Bootstrap
- Backend Knowledge :**  
Node.js, Python, PHP, Spring, Bootstrap.
- Databases:**  
MySQL, MongoDB,
- Version Control:**  
Git
- Responsive Design:**  
Experience in creating websites that adapt to different screen sizes.
- APIs:**  
RESTful APIs
- Tools:**  
VS Code, Eclipse

## PROJECTS

### Online Bus Ticket Booking System

- Engineered a robust system for bus ticket booking and management, integrating key features like user authentication, dynamic seat selection, and booking confirmation.
- Key Contributions:**
- Core Development:** Implemented application logic using Java to ensure smooth functionality.
- Dynamic UI Design:** Developed user-friendly, interactive web pages with JSP.
- Server-Side Operations:** Handled HTTP requests and responses efficiently with Servlets.
- Database Integration:** Executed database interactions and optimized queries using JDBC.
- Data Management:** Structured and maintained user and booking data with MySQL.

### Online Car Service Booking :

- Developed a comprehensive online car service booking system featuring user authentication, doorstep service, and a seamless user experience.
- Key Contributions:**
- Interactive Frontend:** Designed and implemented a dynamic user interface using Angular for enhanced usability.
- Backend Development:** Built and integrated secure and efficient APIs using Spring Boot to handle core functionality.
- Database Management:** Utilized MySQL to store and manage user information, service bookings, and related data.

## INTERNSHIP

Talent Sprint

02/2024 - 08/2024

### Full Stack Java Developer Intern

- Gained hands-on experience in designing and developing responsive, user-friendly web applications using HTML, CSS, JavaScript, and React.js.
- Applied modern front-end technologies to create dynamic interfaces and enhance user engagement.
- Strengthened skills in full-stack development and gained practical insights into industry best practices.
- Improved proficiency in building scalable and interactive web applications, contributing to real-world projects.

## EDUCATION

Dr.K.V.Subbareddy Institute of Technology,Kurnool

B.Tech - EEE 2021 - 2024

GPA : 7.9

Govt.Polytechnic College ,Anantapur

Diploma - EEE 2018 - 2021

GPA:8.3

Rishitha E.M.High School ,Anantapur

SSC 2017 - 2018

GPA:9.8

## Achievements

TCS iON Career Edge – Young Professional Certification

A comprehensive professional development program covering communication skills, resume writing, interview preparation, business etiquette, and foundational concepts in IT and Artificial Intelligence.
